“STEWARDED OUR GIFTS: GO IN PEACE, GLORIFYING THE LORD BY YOUR LIFE.”

February 5, 2017

Fifth Sunday in Ordinary Time

You are the light of the world! As a disciple of Jesus Christ, who is the *true and original* source of light in the world, YOU have been given the awesome task of carrying His light to the darkest corners of the Earth. Fortunately, you do not have to work alone; we have all been called to act as stewards of God’s light... sharing it with the hungry, the oppressed, and the homeless... allowing it to reveal the truth to those living in ignorance and sin. “Then your light shall break forth like the dawn, and your wound shall be quickly healed.” Isaiah tells us that by doing God’s work, our truest purpose can be attained, and our pain (perhaps from sin?) can be relieved. The light of God within us all draws others into His love. Much like a city set on top of a hill, the light cannot – and SHOULD not – be concealed. The Church and its people are meant to act as a beacon, so let that light shine!!

Contributions last Weekend \$10,010.00
Stewardship is the grateful response of a Christian disciple, who recognizes and receives God’s gifts and shares these gifts in love of God and neighbor!

In a 2014 interview, the Holy Father listed his recipe for happiness:

- ♦ "Live and let live, that is the first step towards peace and joy."
- ♦ Give oneself to others.
- ♦ "The capacity to move with kindness and humility, the peaceful oasis of life. Old people have this wisdom, they are the memory of a nation. And a nation that does not look after its old people has no future."
- ♦ Play with children.
- ♦ Spend Sundays with family.
- ♦ Help young people find employment: "Bringing bread home is what gives you dignity."
- ♦ Look after nature. "We have to look after creation and we are not doing it. It is one of the greatest challenges we have."
- ♦ Quickly forgetting what is negative is healthy."
- ♦ Respect those who think differently. "The Church grows by attraction, not by proselytism."
- ♦ Actively seek peace. "Peace at times gives the impression of stillness, but it is never stillness, it is always an active peace."
