STEWARDING OUR GIFTS: GO IN PEACE, GLORIFYING THE LORD BY YOUR LIFE.”

March 25, 2018

Palm Sunday of the Lord's Passion

We stand at the beginning of Holy Week; another season of Lent has nearly passed. How have you grown in your ability and desire to follow Jesus? As stewards, one of the greatest ways to follow Jesus is to know, understand, and share His story. In order to do so, we must know Him in a very personal way. Today we hear the story of the Passion of the Lord, culminating with His death on the cross. As baptized Christians, this story is our story and it is one we should tell often. Our very lives reflect our stewardship, and should point to the cross, leaving everyone we encounter with the understanding that "Truly this man was the Son of God!"

Contributions last Weekend \$11,662.00

Christian disciple, who recognizes and receives

WHY DO WE DO THAT?

CATHOLIC TRADITIONS EXPLAINED

Question: Where do Palm Sunday palms come from and where should they go?

Answer: The Palm Sunday celebration has ancient origins. Beginning the liturgy "outside" the church, we symbolically reenact Christ's entry into Jerusalem. The crowds in ancient Israel waved palm branches - a symbol of royalty - to welcome Jesus. These days, obtaining palms takes a lot of planning and coordination, as hundreds of thousands of churches worldwide need them on the same day! Many in the United States order palms from Florida, California, Texas, or Central America. Many companies stress the sustainability of their production and the just wages paid to their workers.

The palms used on Palm Sunday are blessed at Mass. This means they shouldn't end up in the trash! Many people weave palms into crosses or families display them in their homes. If you do not plan on displaying your palms throughout the year, they should be burned, buried, or left at the church. In the final case, the palms are burned to provide the ashes for next year's Ash Wednesday service.
