

# St. Patrick Catholic School

Kingman, KS

*Catholic Education for Catholic Action*

## **Strategic Plan**

**2012-2017**

**Pastor: Fr. Benjamin Shockey**

**Principal: Bob Lyall**

# Technology

1. Continue to use PowerSchool for communication
2. Continue to support and develop the technology plan approved by the diocese and state
3. Prioritize hardware needs while continuing a three year rotation
4. Continue and increase staff development in the area of technology

5. Start a technology program for parents
6. Enhance the official school web page for school and teachers

7. Increase the use of technology as a learning tool in classrooms
8. Increase student usage of software that are current to technology

9. Provide more technology for students with academic and developmental needs

# Facilities

1. Continue a volunteer program for the maintenance of grounds
2. Design a maintenance plan for sprinkler, elevator, and fire systems

3. Continue a plan for the rental of rooms in the new facility
4. Pursue a plan for the development of the north field

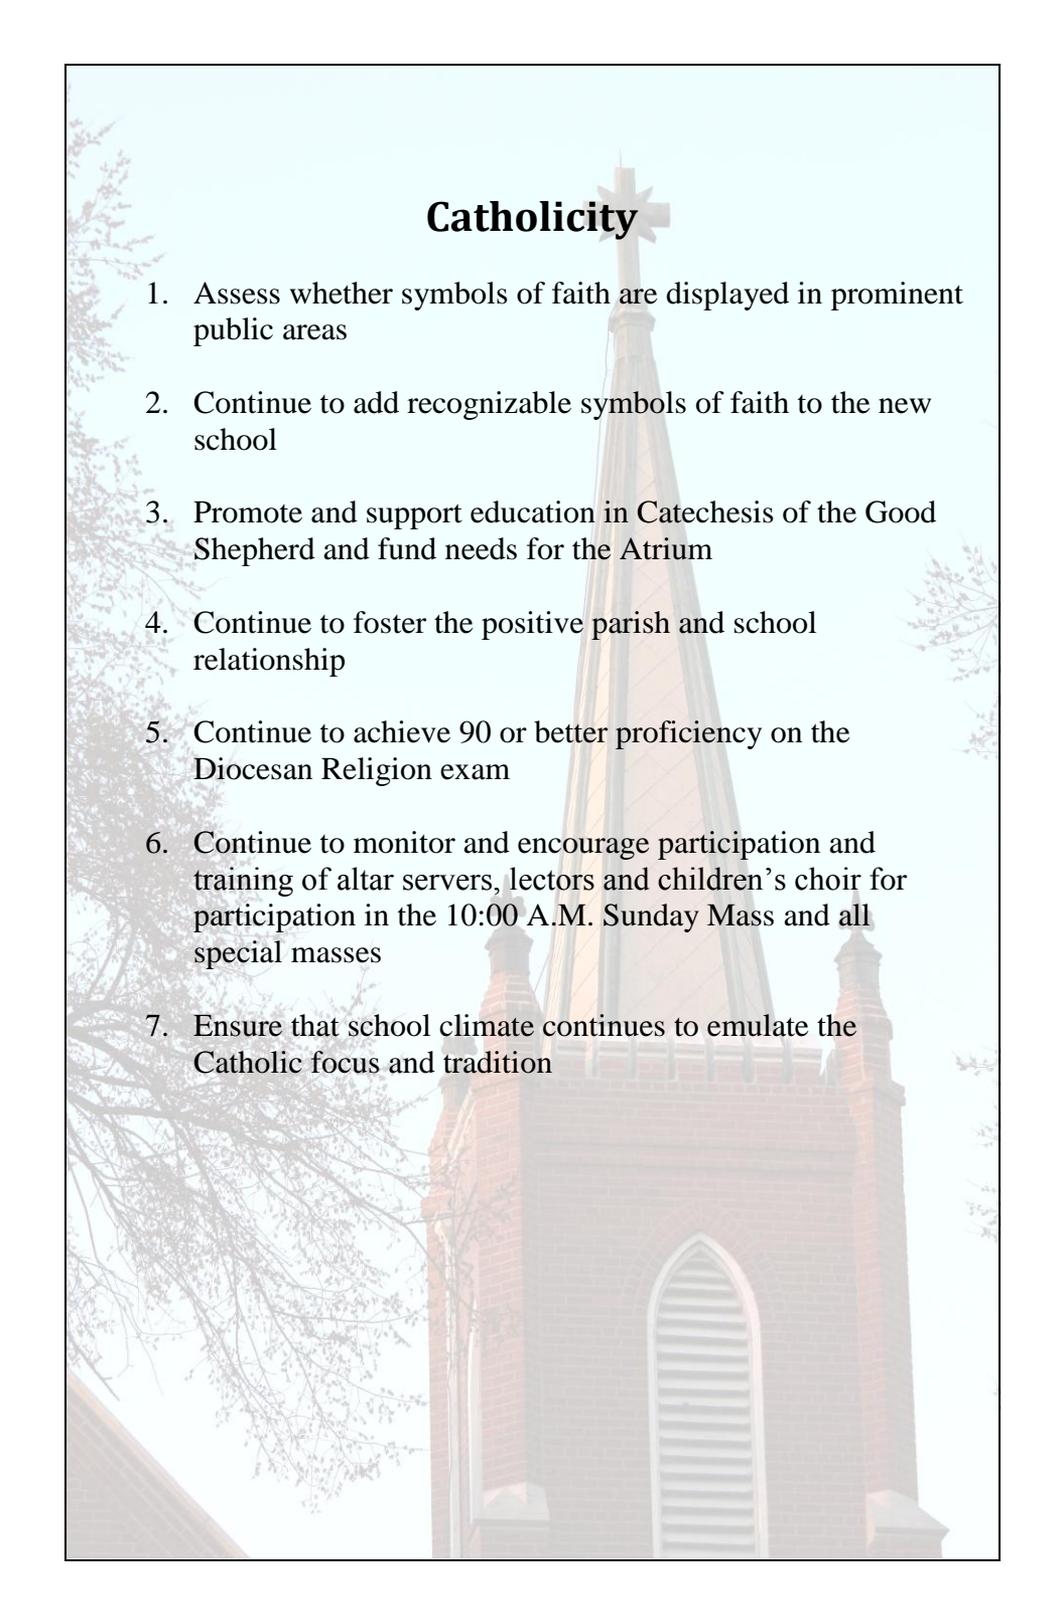

5. Continue to monitor the school for compliance with all codes and regulations

6. Promote volunteerism to aide in keeping facilities looking new

7. Assess expansion of campus grounds

8. Ensure that St. Patrick School is a physically safe environment for all

## **Catholicity**

1. Assess whether symbols of faith are displayed in prominent public areas
2. Continue to add recognizable symbols of faith to the new school
3. Promote and support education in Catechesis of the Good Shepherd and fund needs for the Atrium
4. Continue to foster the positive parish and school relationship
5. Continue to achieve 90 or better proficiency on the Diocesan Religion exam
6. Continue to monitor and encourage participation and training of altar servers, lectors and children's choir for participation in the 10:00 A.M. Sunday Mass and all special masses
7. Ensure that school climate continues to emulate the Catholic focus and tradition

# Communications

1. Continue strong communication and cooperation with USD 331
2. Continue the use of WebMaster
3. Communicate timely information to parents about school events and activities
4. Use technology to communicate with parents
5. Encourage PowerSchool to be used effectively by faculty and parents
6. Welcome parishioner and parental input
7. Inform and invite parishioners to be involved in school events
8. Acknowledge parishioners and show appreciation for their ongoing support of the school
9. Demonstrate a positive image of the school to the outside community

## Academics and Enrollment

1. Recognize parents as the primary educators of their children
2. Continue to incorporate Differentiated Instruction in all grades and classes
3. Work to assist in serving the students with needs
4. Stay current with the school accreditation process, including federal, state, and diocesan requirements

5. Monitor curriculum for Common Core Standards
6. Continue to develop enrollment in pre-school
7. Maintain and work to increase enrollment

8. Continue to be a "School of Excellence" in all academic areas

# History

## **Yesterday-**

The tradition of excellence at St. Patrick School began in 1930 under the direction and vision of Fr. William Chawke along with the dedication of a strong parish and community. Through difficult times, the school grew and flourished. In 2005, St. Patrick School suffered a fire. The educational process was not interrupted due to a resilient parish and dedication to a vision to provide the best possible Catholic education, regardless of circumstances. With that same vision and dedication of 1930, the St. Patrick parish and community, committed to a building project, breaking ground in 2008 with the completion and dedication in 2010.

## **Today-**

A new and renovated St. Patrick School continues to offer values-based education rooted in academic standards of excellence and equity with a tradition of community service, while serving families of all income levels. A new gym, cafeteria/community center, and adoration chapel, along with new and updated classrooms, serve as the hub for academic and parish activity. Dedicated teachers and involved parents work in unison to develop young people into talented, capable leaders of tomorrow.

## **Tomorrow-**

St. Patrick School will remain committed to our mission to provide a strong Catholic education for future Catholic action by our youth. We will continue to build a foundation for a lifetime.
