"WHO ARE YOU FOLLOWING?"

April 1, 2018

Easter Sunday

"...he saw and believed." On this most glorious of days, we remember that stewardship is about recognizing and receiving God's gifts and in particular, the gift of faith, as we see in John's gospel today. We carry with us the faith that Jesus is the truth and we live in hope that we, like those first disciples, will one day meet our risen Lord face-to-face. In the meantime, we are called to live our faith in an authentic way. Consider the words of St. Paul in his letter to the Corinthians: we are the yeast in a fresh batch of dough -- the bread of sincerity and truth. Make a difference today by loving and serving one another, and Christ did for us!

Contributions last Weekend \$11,496.00
*Stewardship is the **grateful** response of a Christian disciple, who **recognizes and receives** God's gifts and **shares** these gifts in love of God and neighbor!*

WHY DO WE DO THAT?

CATHOLIC TRADITIONS EXPLAINED

Question: What is the most important holiday on the Catholic calendar?

Answer: In our daily life, we often refer to "holidays." The word "holiday" actually comes from the word "holy day." More than a simple celebration or family gathering, these days connect us to God in a unique way. We remember - and share in - the events in God's plan of salvation. Some feasts may be celebrated with more traditions and secular attention, like Christmas, but the most important holy day is Easter.

When Jesus died and rose again, he destroyed the ultimate weapon of sin and made it possible for us to have eternal life with him in Heaven. Without the resurrection, St. Paul tells us, our faith is in vain. This past Holy Week, we walked through the Paschal Mystery, the suffering, death, and resurrection of Christ. Easter is commemorated each time we celebrate the Mass. As St. John Paul II said, "we are an Easter people and alleluia is our song!" Jesus was born for Easter. Our joyful celebration of the resurrection is at the core of what it means to be a Christian!
