"WHO ARE YOU FOLLOWING?"

June 3, 2018

**Solemnity of the
Most Holy Body & Blood of Christ**

Today we reflect on Jesus' gift of self: His body and His blood. In *Evangelii Gaudium*, Pope Francis refers to the Eucharist as "a powerful medicine and nourishment for the weak." Throughout the Gospels, Jesus made a habit of feeding his followers, and the Eucharist became the most important source of nourishment he offered! As stewards of the church -- the Body of Christ -- we may not like to admit our weaknesses, but they are real and the Eucharist exists to remedy our ailments. Hebrews 9:15 says that "those who are called may receive the promised eternal inheritance." Through our baptism, we are ALL called into the service of the Lord and into His eternal inheritance. As we celebrate the Eucharist with one another, allow the Eucharist to move, heal us, and nourish!

WHY DO WE DO THAT?

CATHOLIC TRADITIONS EXPLAINED

Question:

What are the "fruits" of Holy Communion?

Answer: The Eucharist, like all sacraments, offers its own unique grace. We receive a special share in God's life that helps us in our faith journey. We are given all we need to sustain and nurture our relationship with God. The Eucharist is the source and summit of the Christian life. Everything we are and everything we hope to become is found in this sacrament. It is essential to the life of the church, to each member of the church. Without it, there is no church. The Eucharist is the center of our spiritual life and has enormous effects on our growth, our holiness, and our way of life.

The fruits of Holy Communion are the benefits one receives from the sacrament. These fruits of Holy Communion are discussed in the catechism in the article on the Eucharist. The primary benefit is union with Christ. We become one with him sacramentally, just as we hope to become one with him for eternity. The Eucharist also separates us from sin, both past and future. It forgives the venial sins of the past and, by the love we receive, protects us from mortal sin in the future. The church community is also unified and strengthened by the Eucharist. It unites us to the poor and offers the pledge of eternal life. *Liturgical Publications, Inc.*

In that divine heart beats God's love for everyone, for each one of us individually. --St. John Paul II
