“Fully Alive as Missionary Disciples”

July 28, 2019

Seventeenth Sunday in Ordinary Time

Prayer, one of the four Pillars of Stewardship, should be an integral part of our lives as missionary disciples. It is the only way we can truly have an intimate relationship with God, and it is the only way we can really cooperate with His plans for our lives. Unfortunately, many of us don't take the time to pray and therefore our life of stewardship is somewhat crippled. Jesus makes it clear that our prayers should be constant and persistent, and we should expect God's response to be loving and kind. If you do not have a habit of daily prayer, look to Jesus for an example. He has a particular place for prayer (often upon a mountain!) and a simple method of prayer. Sadly, Kansas doesn't offer many mountaintop prayer opportunities, but there are lots of other options! Your church or its adoration chapel might be wonderful places to start. It would also be good to establish a prayer place in your home. A quiet room or a comfy chair with a table where you can keep your rosary, statues or icons, and/or prayer books will work — keep it simple! Then choose a time (or *times!*) of day that you can keep consistent and develop the habit. It is said that prayer changes the pray-er! Allow yourself to become fully alive by developing this aspect of your stewardship!

Contributions last Weekend \$17,193.00

*Stewardship is the grateful response of a
Christian disciple, who recognizes and receives
God's gifts and shares these gifts
in love of God and neighbor!*

WHY DO WE DO THAT?

CATHOLIC TRADITIONS EXPLAINED

Question:

I've heard that love is a theological virtue. What does that mean?

Answer:

Charles Shultz, the creator of the Peanuts comics wrote, "I love mankind... it's people I can't stand!" This good humored comment gets at an important truth. St. John wrote a very strong statement in one of his letters: "If anyone says 'I love God,' but hates his brother, he is a liar; for whoever does not love a brother whom he has seen cannot love God whom he has not seen" (1 John 4:20). How often do we say "I love the homeless," but ignore the parish food drive? Or insist on the importance of respecting others, but don't bother to say hello to our cashier? If we can't love an individual person, we might not love people like we think, and we certainly need to work on our love for God.

Love is "the theological virtue by which we love God above all things for His own sake, and our neighbor as ourselves for the love of God" (CCC 1822). God knows acts of love of Him and others isn't always easy. So He invites us to pray for the grace to do it. The virtue of love gives us the grace and strength we need to offer our lives to God and love people in our lives, especially those who are difficult to respect, tolerate, and care for. Real love, of course, is risky. Real love wills the good of the other when we just want good for ourselves. Real love gets up on the cross when we'd prefer to take a nap in Gethsemane. Real love changes things.
